ECOGENICS
active botanical skin care

ECOGENICS

Fruit Acid Exfoliating Peel with 8% AHA

This fruit acid peel combines pineapple
enzymes with malic, citric and glycolic acid
to dissolve dead skin cells and metabolic
waste. Antioxidants and Hyaluronic acid are
added to leave the skin smooth, plump and
firm. This treatment aids in the reduction of
fine lines and wrinkles, improves skin
texture, brightens the complexion and
accelerates cellular renewal.
